

CAREERS AT HAMPDEN

Sports Massage Therapist (Sessional)

SESSIONAL • VARIED • HAMPDEN PARK, GLASGOW

ROLE

Sports Massage Therapist

REPORTS TO

Head of Clinic Services

The opportunity

To deliver a first-class sports massage service to clients attending Hampden Sports Clinic through evidence-based treatment, excellent patient care and a professional, patient-centred approach. The successful candidate will work collaboratively within our multidisciplinary team to support patients ranging from elite athletes to members of the public.

Employment will primarily be based at Hampden Sports Clinic, with work at external locations where required.

Main duties and responsibilities

- Deliver high-quality sports massage treatments appropriate to each client's presentation and goals.
- Independently manage the client list effectively and efficiently.
- Maintain accurate, confidential records of all client interventions.
- Deliver an excellent patient experience throughout every appointment.
- Communicate effectively with physiotherapists, sports physicians, strength and conditioning coaches, sports scientists and administrative staff.
- Contribute to the continued growth and reputation of Hampden Sports Clinic through professionalism and outstanding patient care.
- Support clinic promotion and social media activity where appropriate.
- Undertake CPD through meetings, courses and educational events.
- Work within the professional standards and code of conduct of the relevant governing body.
- Support off-site events and external clinics where required.
- Maintain treatment areas, clinic supplies and laundry to a high standard.
- Undertake any other duties reasonably requested by the Head of Clinic Services.
