

CAREERS AT HAMPDEN

Senior Physiotherapist/ Physiotherapist

FULL TIME • 35 HOURS • HAMPDEN PARK, GLASGOW

ROLE

Senior Physiotherapist / Physiotherapist

REPORTS TO

Head of Clinic Services

The opportunity

To deliver and progress a first-class physiotherapy service through evidence-based assessment, diagnosis, rehabilitation and patient-centred care to all clients attending the Clinic. The successful candidate will work collaboratively within our multidisciplinary team to achieve the highest standards of clinical practice and patient experience.

Employment will be primarily based at Hampden Sports Clinic, with work at external sites as required.

Main duties and responsibilities

- Deliver high-quality, evidence-based physiotherapy assessment, diagnosis, treatment and rehabilitation to all clients referred to the Clinic.
- Independently manage the client list effectively and efficiently.
- Maintain accurate, confidential records of all interventions applicable to clients.
- Deliver outstanding patient care and an excellent patient experience throughout every stage of the rehabilitation journey.
- Design and deliver progressive exercise rehabilitation programmes appropriate to each patient's needs and goals.
- Achieve required targets for maintaining patient numbers.
- Adopt a flexible approach to working hours, including evenings and occasional weekend work.
- Communicate and liaise with the multidisciplinary team, including coaches, performance staff, sports scientists, strength and conditioning staff, doctors, physiotherapists and administrative staff.
- Contribute to the continued growth and reputation of Hampden Sports Clinic through professionalism, excellent clinical outcomes and positive patient engagement.
- Work with other sports professional bodies where required within the physiotherapist role.
- Undertake a programme of CPD, including attendance at meetings and courses, and teaching as required.
- Work within CSP rules of professional conduct and standards of practice.
- Remain current with research in sports injury management and relevant clinical practice.
- Undertake any other duties reasonably requested by the Head of Clinic Services.
